3820€ for 700 grafts seems like a huge ripoff.

The only thing that counts in this life is looking good.

Not really

Its not cheap but even in turkey they want 4 eur per graft

2 eur or sth is not professional

Congratz op

I hope 700 graft gave u enough density..but u said blonde people dont need that much

Now you have to wait for the end results ...

How long was the op?

Your recession seems different to mine, I'm NW2 atm but I have strange smaller hairs around the receding areas I use to cover up, you seem to not have that
